## Highlander Cadets Receive Promotions in Rank

### Lyle Sales Named Cadet Lieutenant Commanding Corps

The Vulcan Highlander Cadet Corps is one of six in this area that has been selected for inspection by Lt. Col. Taschereau, G.I. Cadets, Ottawa Headquarters. The inspection will be held on April 30th at 3:30 p.m. Participating will be Cadets from Milo, Vulcan and Girls Cadets, numbering some 85 strong.

C.S.M. Goodman of Calgary has just completed his N.C.O. and Officer's classes and graduating were Lyle Sales, Duane Neville, Ralph Walker, Wendell Wolfe and Arthur Chell. Girl Cadets: June Hyslop, Eleanor Hyslop, Betty Hiltz and Doreen Weber.

Cd. Cpl. Lyle Sales was awarded the rank of Acting Cadet Lieutenant by Major C. R. Robson at the regular parade on March 24th. Cadet Lieutenant Sales is O.C. of the Vulcan Cadet Corps No. 1035.

Cd. Sgt. Arthur Chell has been promoted to the rank of Acting Cadet Lieutenant in charge of No. 1 Platoon. Cd. Sgt. Wendell Wolfe has been promoted to the rank of Acting Cadet Lieutenant in charge of No. 2 Platoon. Q.S.M. Duane Neville remains Q.S.M., but has the additional duties as Platoon Sgt. for No. 1 Platoon. Other positions confirmed were:

In Platoon 1—Cadet Cpl. Clark leading Section 1; Cadet Cpl. Hyslop leading Section 2; Cadet L.Cpl. E. Mensinger leading Section 3.

In Platoon 2—Cadet Cpl. French leading Section 3; Cadet Cpl. Brown will be Band N.C.O. In Platoon 2 further appointments will be made by Instructor Carson of the Milo Detachment of the Vulcan Highlanders.

Promotions in the Girl Cadets were: Sgt. June Hyslop to Temporary Acting Lieutenant; Cpl. Hyslop to Lieutenant; Cpl. Betty Hiltz to Sergeant; Doreen Weber, Q.M., with rank of Sergeant.

## Regular Meeting Reid Hill W.I.

Mrs. W. A. Fitzpatrick was the hostess for the March meeting of the Reid Hill W.I., Thursday, 18th. Owing to the extremely poor prevailing road conditions, the attendance was most disappointing.

Roll call was answered with Irish Quotations and Verses.

It was deeply regretted that Mrs. Clements the constituency convenor, who was to have paid her official visit to the branch, was unable to do so because of illness.

Mrs. Marshall, who had represented the Reid Hill W.I. at the District Conference in Lethbridge earlier in the month, gave a few highlights of the conference, but did not give her full report because of the small attendance.

Following a pleasant social period a delicious hot lunch was served by the hostess assisted by Mrs. P. McIntyre.

The next meeting is scheduled to be held at the home of Mrs. Alan Smith, Thursday, April 8th, weather and roads permitting.

## LETTER TO THE EDITOR Writer Defends Record Social Credit Govt.

Editor, The Advocate.

Dear Sir:

Please, I would like you to print this in your paper. We have heard so much loose talk lately about Social Credit and the Treasury Branches, it reminds us of the loose talk in 1934-35.

We heard of families who were going to leave Alberta. Well, let them go. Let others come that will appreciate. They didn't leave, and through the last thirteen years they are bedded in stronger than ever, even getting relatives to move to Alberta and Vulcan.

Then I wonder how many know the real truth about things—real facts. We had the Liberal Govt. in 1905. That's the year we came to Alberta, so we know the facts from away back, when the province was being settled. They put a debt on the homesteaders of \$95,000,000, so we put them out and put in the U.F.A. in 1921. They said they would pay off the debt, instead they put on a debt of \$158,091,350. They're dead, but won't lay down. They carry on with the C.C.F.

(Continued on Page 7)

## A. & C. Association Discusses Sports

At the March meeting of the executive of the Vulcan and District Athletic and Cultural Association it was decided that all participants must produce a medical certificate of fitness before being allowed to take part in strenuous sports activities sponsored by the Association. Discussion was also held on the matter of securing blanket casualty insurance to cover accidents during sports and training, and figures on the cost of such a policy will be secured.

Construction of a 400 yard cinder track was again up for discussion and a committee of three was named to look into the feasibility of securing space for such a track. The executive also decided to invite Gordon Higginson of Edmonton to come to Vulcan for a day of track instruction, the Association to pay his travelling expenses.

A membership committee of E. G. McPherson, chairman, Dr. G. M. Carson and M. R. Morrison was named.

Members of the executive present at the meeting were M. R. Morrison, John Mitchell, J. M. Jamison, Dr. G. M. Carson, J. L. Findlay, G. E. Clayton and Ross Walker.

## Shower Honors March Bride-elect

Complimenting Miss Correne Neville, whose marriage to Jim O'Dwyer takes place this month, a miscellaneous bridal shower was held at the home of Mrs. F. J. Mensinger, Saturday afternoon, when Lois Mensinger, Edna Shaw and Jeanne Benoit were joint hostesses.

Some thirty friends of the bride-elect were gathered to express their best wishes for a long and happy married life. Leaves from an album were passed around and the guests formed couples, each of which were required to write a poem to the bride. These poems were read aloud and later placed back in the album. Many comical and witty thoughts were conveyed to the young couple through the verses.

The guest-of-honor was seated before a gaily decorated shower-umbrella from which hung tiny envelopes with rhyming instructions as to the hiding place of the gifts. Miss Lois Mensinger read the first verse, which started the bride-to-be on her treasure hunt accompanied by Miss Edna Shaw. Many lovely and useful gifts were "discovered."

Miss Neville was assisted in opening the attractively wrapped presents, by her mother. She very suitably thanked everyone for their kind wishes and lovely gifts.

A dainty lunch was served by the three hostesses, to bring to a conclusion a most happy afternoon.

## Mensinger Rink Wins Cup

The rink of Mrs. F. J. Mensinger was successful in defeating the Queenie Marshall rink, on Saturday evening, thus becoming winners of the coveted Challenge Cup, donated to the Vulcan Ladies Curling Club by C. W. Loose. Personnel of the winning rink was Mrs. Mensinger, skip; Mrs. Opal Drummond, third; Mrs. Muriel Berg, second and Mrs. Matchett, lead. The Marshall rink was skipped by Mrs. Mabel Rea.

Next year the cup will be a Challenge Cup to be competed for by rinks from towns of the surrounding district.

## Change Made in Farm Income Tax

It was announced in the House of Commons last Friday that farmers who report their 1947 income on a cash basis will not have to fill out the contentious "net worth" statement of the special farm income tax forms.

However, farmers who report their income on an accrual basis will have to fill out the net worth statement or attach statements of assets and liabilities.

## Ladies Auxiliary Names Delegates Dom. Convention

The March meeting of the Ladies Auxiliary to the Canadian Legion, was held on the new date, namely the third. Wednesday in each month, on the 17th, in the Legion Hall. Mrs. Matlock, the president, opened the meeting and a fairly satisfactory number of members answered the Roll Call, after which minutes of the previous meeting were read and approved.

A letter was read from the family in Wales, which the Auxiliary has "adopted," again expressing their deep appreciation of the food parcels they have been receiving.

The matter of sending a delegate to the Dominion convention, to be held in Saskatoon in May, was brought up, and it was decided to send two delegates, only one of which will be entitled to vote. Mrs. J. Hanna and Mrs. A. Sales were chosen to represent this branch Auxiliary.

Mrs. Marshall, who has acted in the capacity of secretary for some two years, asked to be relieved of her duties, and after lengthy discussion Mrs. O. A. Craig agreed to accept the office for the remainder of the year.

A committee was appointed to buy material and send the next food parcel.

The sum of \$5.00 was voted to the Canadian Appeal for Children and \$10.00 to the Canadian Red Cross.

At the conclusion of the meeting the ladies accepted the invitation of the Legion members to join them for lunch.

## Veterinary Director Will Address Board of Trade

Director of Veterinary Services in the Department of Agriculture in the Province of Alberta, Dr. E. E. Ballantyne will be the guest speaker at the next regular meeting of the Vulcan District Board of Trade, on Thursday, April 1st, in the Legion Hall.

His subject will be Bang's Disease and Allied Veterinary Problems and should be of particular interest to farmers and stock-growers of this district.

The meeting will start at 8 p.m.

## More Donations For Red Cross

Donations received at the local branch of the Canadian Bank of Commerce for the Canadian Red Cross, during the week ending Tuesday noon, March 23rd, are as follows:

Chester F. Rea \$10.00; Wm. J. McIntyre \$5.00; Mrs. D. L. Doane \$2.00; Mr. and Mrs. L. E. Shaw \$2.00; Mrs. Sarah E. E. McLean \$10.00; J. T. Willard & Son \$25.00; Ladies Auxiliary to the Canadian Legion \$10.00; T. T. Carruthers \$10.00; Frank W. Shaw \$25.00; Everett G. McPherson \$25.00; Max R. Morrison \$25.00; Scott H. Williams, Travers, \$5.00.

Total donations up to March 23: \$316.00.

## The Weather

Mild weather prevailed over the weekend, with strong winds speeding the disappearance of the snow. Snow again started to fall Tuesday night and three or four inches had fallen by Wednesday noon. Colder temperatures accompanied the snow.

## SPECIAL RAIL FARES

Special fares for the Easter holiday period on Canadian Pacific Railway Lines are announced by Oliver Reid, C.P.R. agent, Vulcan. The low fares will be available from Thursday, March 25th, to 2 p.m. Monday, March 29th and will be good to return leaving destination up to midnight of Tuesday, March 30th. On branch lines where there is no train service on March 30th, tickets will be valid to return on first available train thereafter.

The low rate of single fare and one third for the round trip will be good between all stations in Canada and in all classes of accommodation.

## CHERRY PIE QUEEN

Can she make a cherry pie Billy boy? And how! Fact is, Valeria Johnson, 17, Chicago high school senior, has been chosen No. 1 cherry pie maker. Eleven state champions participated.

## Sunrise Service Next Sunday

The Easter sunrise service will be held in the Church of Christ this year on Easter Sunday morning at 7:30 with Rev. O. H. Rollis of the United Church and Rev. F. E. Vorrath of the Evangelical Church speaking. Special music will be brought by the Evangelical Church and the Church of Christ with the Scripture reading by Rev. V. S. Lord of the Church of England.

Throughout much of the world a service on this order is carried out in memory of the resurrection of Jesus Christ. People in nearly every country of the world where the gospel of Christ has gone will assemble either at sunrise or shortly thereafter for this memorial service. This custom was adopted by the churches of Vulcan last year with about thirty-five people at the first service. It is intended to be carried on in years to come.

## "Fashion Parade" Featured When Lions Entertain Ladies

Members of the Vulcan Lions Club entertained their wives or lady friends at the semi-annual Ladies Night, in the L.O.O.F. hall on Monday evening, when more than a hundred were assembled.

President Keith Elder welcomed the ladies, on behalf of the Club, after which a delicious buffet supper was served. Following the supper a fine program of skits, mock trials and a fashion parade were presented. All manner of petty "offenders" were hauled into "court" by "Constable" Lion Mensinger, and handed out fines, not exceeding twenty cents, by "Judge" Elder. At the apparent collapse of one of the Lions' members of an ambulance corps dashed in with a stretcher, and shortly thereafter a surgery was performed by three members of the Club. A most amazing and terrifying assortment of articles were extracted from the "patient" and the farce concluded with the very casual discovery by "Dr." Gordon Clayton that they had operated on the wrong man.

A sing-song was then enjoyed by all present, and the ladies were each presented with a pound box of chocolates by the Lions Club.

To conclude the evening's entertainment a mock fashion parade, with seven Lions acting as models, was staged. As ladies of fashion they were replete with everything from the styles of the past right up to the New Look. With mincing walk and more make-up than any lady of good taste would dare to wear they paraded among the guests, who were kept in gales of laughter by this really good act. Albert Collier, acting as an able commentator, pointed out the details of interest in each ensemble, which also proved highly amusing. Those participating as mannequins were: Arnold Lloyd, John Jamison, Charles Northcott, Charlie Fulton, Gordon Cranston, Ron Buehler and Merv McIntyre.

Viscount Mountbatten is the grandson of Queen Victoria.

Hedges of tough-stemmed roses instead of wire fences are recommended by the U.S.A. Dept. of Agriculture.

## Loose and McLean Are New Municipal Councillors

### Allan McLean Named in Division 1; C. W. Loose in Division 3

Allan McLean and C. W. Loose have been elected to fill the two vacancies on the M. D. of Vulcan council, as the result of elections held in Divisions 1 and 3 on Saturday, March 20th. A light vote was recorded, about 35 per cent of eligible voters casting their ballots.

The first election since the enlarged M. D. of Vulcan was formed in 1943 saw two candidates nominated in each of the two divisions. In Division 1 Mr. McLean polled 134 votes to defeat C. J. Versluys, who received 48 votes. Results at each of the two polling booths in this division were as follows: Geo. Rhodes residence—McLean 30, Versluys 10; Village Office, Champion—McLean 104, Versluys 38. Rejected ballots 3. Mr. McLean will fill the unexpired term of R. H. Matlock, who had resigned the office of councillor with still two years to serve.

In Division 3, C. W. Loose received 102 votes and William Munro 65. Results at each of the four polling booths in this division were as follows:

Municipal Office, Vulcan—Loose 65, Munro 22.

C. L. Dennison residence—Loose 22, Munro 2.

R. S. Irwin residence—Loose 1, Munro 6.

Kirkcaldy Store—Loose 14, Munro 35.

Mr. Loose will serve on the council for a three year term. The former councillor for Division 3 was the late F. E. Bennett.

C. H. Matlock was the returning officer.

The present council of the Municipal District of Vulcan No. 29 is now composed of the following members: Div. 1, Allan McLean; Div. 2, J. E. Carlson; Div. 3, C. W. Loose; Div. 4, Dan McNiven; Div. 5, T. F. Fisher (reeve), D. D. McQueen is the secretary-treasurer.

## H. & S. Members Hear Dr. Carson

The regular monthly meeting of the Vulcan Home and School Association was held in the Legion Hall, Tuesday, March 16th, with a good attendance of members. It was necessary to take the meeting to the Legion because of the flooded condition of St. Aldhelm's parish hall.

Mrs. Weber, the president was in the chair, and opened the meeting with the singing of O'Canada. The creed was read by Mrs. B. Banks.

A letter was read concerning the sound projection machine for the school, and Mrs. C. J. Robinson and Mrs. F. J. Mensinger were named a committee to interview the School Board in this connection.

Mrs. Weber reported that owing to the inability to secure a cast, the one-act play originally planned in conjunction with the Cultural and Athletic Association Drama Night to be held in April, had to be abandoned.

The appointing of a delegate to attend the convention at Olds, in April was brought up. Mrs. Weber declined the nomination to attend, and after discussion Mrs. A. Whitesides and Mrs. R. Fulton agreed to accept the appointment and represent the Vulcan Home and School.

Several other items of interest were discussed, one of which was the holding of a social evening, some time in the near future and committees were named to attend to all details.

At this point Miss Betty Hammer accompanied by Mrs. Todd very kindly favored the meeting with two well rendered vocal solos which were very much appreciated.

At the conclusion of the business session the meeting was turned over to Dr. G. M. Carson, who had kindly consented to address the members. His talk, which dealt with the need to encourage clean sports and good health habits in the district young people was highly interesting and much appreciated by all in attendance.

Lunch was served by the refreshment committee.

## Children's Appeal Fund at \$685.40

The following donations have been received at the Vulcan Branch of the Canadian Bank of Commerce during the week ending Tuesday noon, March 23rd.

Ladies Auxiliary to the Canadian Legion \$5.00; Mr. and Mrs. Louis E. Shaw, Vulcan, \$3.00; H. B. Ulrich, Vulcan, \$5.00; J. T. Willard and Son, Vulcan, \$25.00; Scott H. Williams, Travers, \$5.00.

Donations to this fund now total \$685.40.

## School News

Grade 11 mothers and fathers are the most numerous at the Home and School meetings.

Jimmy Shaw from Calgary has enrolled as a Grade 10 student.

Mr. Fykes and Mr. Majaakey journeyed to High River last Wednesday to hear Mr. Alridge address a principals' meeting on Educational Guidance.

The Vulcan Highlander Cadets are to be inspected by Lt. Col. Taschereau, G.I. Ottawa, on April 30th.

Grade 10 students were hosts at the last assembly. A piano solo was given by Darrell Maisey and Joan Buehler rendered a vocal solo. Three Grade 1 pupils recited the poem "Mice," and a community sing-song followed. A resolution was passed that the students would refuse to buy pop at the price of 10 cents, the resolution to be enforced by all high school students. Mrs. P. Weber presented the curling prizes to the bonspiel winners.

Grades 8 and 9 will be hosts at the next assembly, March 25th.

All students are advised to visit the tree planting car on Good Friday at 2:30 p.m.

### DOING WITHOUT

(From the High River Times)

NOT long ago a letter appeared in the Calgary Herald in which the writer was taking the public severely to task for expecting the government to help them out of trouble when what they should do is help themselves. He was shaking a finger at the people who are forming societies to protest the high cost of living, and drafting resolutions urging the government to bring prices down. He says we have the habit of running to the government to fix prices instead of fixing them ourselves by the simple expedient of going without. He says we can just refuse to buy, and if enough people decided to help themselves in this way, prices would soon go down.

It may be gathered that the writer is of the stern old British breed, and there may be at least some truth in his charge that we are molly-coddling ourselves, and that it is the cost of high living rather than the high cost of living that is getting us down.

But he should not despise us too greatly because actually the consumers are trying to help them-

selves. Newspapers are full of all the organizations and individuals that are clamoring at the government about the high cost of living. But much less space is being given to what is going on quietly in most homes. Statistics from the Canadian Welfare Council show that in December, 55% of families interviewed in income groups under \$2000 had decreased their purchases of butter and milk. There were 21% that had managed to cut their bread purchases and 34% had reduced on egg purchases. These are not, or at least should not be, classified as luxury goods. We have been taught that they are basic foods, and any serious reduction in consumption might reflect adversely on national health.

Probably if a canvass were made of our own town, it would be found that the majority of families are quietly battling the high cost of living by cutting out some accustomed luxuries and reducing on purchase of necessities. Doubtless this is true of housewives clear across Canada who are obliged to live within a fixed budget. They are very definitely practising self help but are augmenting home efforts by calling government attention to their plight.

In this part of Canada our general welfare depends to quite an extent on primary products, and any drastic collapse in prices would probably bring us more general harm than the benefit resulting from cheap food. We are in position to know that the cost of production has been rising sharply. But in the cities there is a consumer element far removed from the farm. This element is bent on bringing down the price of agricultural produce, although at the same time guarding their own wage scales which in turn send up the prices of manufactured goods. It is unfair to impose ceiling prices on primary produce without following the same practice on other commodities which the farmer must buy.

Although the great drive is against the high cost of foodstuffs, the cost of clothing and household supplies work equal hardship on the buyer, and the housewife is obliged to exercise self-restraint in all lines of needed goods.

## Masonic Order Boys Town Plan

The Masonic Order of Alberta has launched out on a most commendable philanthropic project. It has bought a 640 acre farm near Lethbridge for a "Boys' Town" plan.

The farm has been sold to the Masonic Order for \$100,000, with another \$50,000 worth for buildings and equipment. It will be a farm home for delinquent boys, a much needed setup in Alberta.

The farm is under irrigation and is about 15 miles east of Lethbridge. To finance this undertaking each Alberta Mason is being levied, and there will be a contribution from the Alberta government. One Mason is said to have pledged \$25,000.

The buildings are equipped with electric lights and running water and are considered very attractive. The farm has been successful in grain growing, beet growing and in livestock. It is close to railway and highway.

Old glue can be removed from wood with hot vinegar.

WE RECOMMEND THE EXCHANGE OF  
PRODUCING OIL ROYALTIES  
for

## Continental Oil Company of Canada Ltd.

TREASURY SHARES

## AT 50c PER SHARE

BECAUSE OF THE FOLLOWING DIVERSIFIED INTERESTS:

- 1—One producing oil well in Leduc
- 2—New drilling three more wells in Leduc
- 3—One producing well in Turner Valley
- 4—A royalty interest in 96 other producing wells in Turner Valley
- 5—A quarter interest in a producing well in Lloydminster

WE SUGGEST that you exchange your royalties to obtain diversification in all the above mentioned wells and in property presently owned by Continental as well as property to be acquired in the near future.

WE BELIEVE that shares have a better future for capital gain than producing oil royalties in individual wells.

For Continental's Information Circular, photographs and maps and for cash purchases of treasury shares, apply to:

## "Shop at Home"

Vulcan merchants take great pride in their town and endeavor to bring about all the improvements necessary to give their customers the best in shopping satisfaction, both as to merchandise and shopping service.

District residents are becoming more and more conscious of the advantages of shopping in their community too. Not only is it convenient, but the quality of the merchandise available right here at home is the equal of that obtainable elsewhere. Anything and everything can be bought in Vulcan where practically every phase of business life is represented.

"Shop Locally" may be the slogan of the merchants, but it is much more than that. It is an invitation and a bit of wise counsel for the residents to patronize their merchants and at the same time to take advantage of the excellent services being offered close to home.

## Recommendations Re New Cereal Grains

(Experimental Farms News)  
What variety is best to grow this year? This is a question which is being frequently asked of the Cereal Division, Central Experimental Farm, Ottawa. Before giving the answer all the contributing factors, such as use of crop, type of soil and soil moisture conditions, for early or late spring seeding, should be considered.

There are some new cereal varieties just coming into cultivation on which some general information might be of interest. In 1947, the two new varieties of oats, Beacon and Garry were damaged by the new Helminthosporium root rot disease. In view of the uncertainty of the future progress of this disease no definite recommendations are being made for these two varieties in 1948.

Ajax and Exeter continue to hold a prominent place in oat growing areas. The popularity of Exeter is increasing in Saskatchewan, while the wider adaptability and earliness of Ajax has enabled it to become established in both Western and Eastern Canada.

A new variety named Fortune has been produced by the University of Saskatchewan and it will be recommended for certain sections of Western Canada when sufficient seed is made available.

Vantage barley was licensed in 1947 and will be released to farmers for sowing in 1948. It was produced by the Dominion Experimental Farm, Brandon, from a cross between (Newel x Peatland) x Plush. It is stem rust resistant and is recommended mainly for Manitoba conditions.

Three new varieties of linseed flax were licensed for distribution in 1947, namely, Dakota, Rocket and Sheyenne. Only limited quantities of seed will be available for seeding in 1948. It is expected that Rocket and Dakota will replace, to some extent, Royal, now extensively grown. While it cannot be said that Dakota will yield as well as Royal, yet its earlier maturity and more even maturity will probably make this up to the farmer in a better return for his crop. Rocket matures between Dakota and Royal and has yielded well. Sheyenne is an early variety comparable to Redwing but does not produce as high yields. It is, however, more resistant to disease than Redwing.

Two new varieties of wheat are being distributed this year. Saunders in Northern and Western Alberta, and Cascade in Eastern Canada.

Saunders is a hard, red, spring wheat which yields with Thatcher, matures very closely with Garnet and has Marquis quality. It is resistant to stem rust and loose smut and moderately resistant to bunt. Some 5,700 bushels of Saunders will be released to farmers in Alberta this season.

Cascade is a semi-hard, spring wheat, and has high yield with resistance to stem rust and mildew. This variety was developed for use in Eastern Canada and is not considered satisfactory for growing on the Prairies.

Farmers desiring detailed information in regard to suitable varieties for their local needs, should write to their nearest Experimental Farm or Station, or to the Departments of Agronomy at their Universities, or to their Agricultural Representatives.

## ACT FOR FARMERS 3-YEAR EXTENSION

Recently the Dominion Parliament passed two important amendments to the Farm Improvement Loans Act.

The first extends the provisions of the Act for another three years as from March 1, 1948. The Farm Improvement Loans Act was first passed at the 1944 session of Parliament and came into force on March 1, 1945. It provides for the making of certain classes of loans to farmers by the chartered banks of Canada over a three-year period under a 10 per cent guarantee against loss.

One of the main purposes of the Act is to enable banks to make intermediate-term loans, that is, loans up to ten years, for farm buildings, including dwellings. The second amendment enlarges the type of security which a bank may accept with respect to loans for "the construction, repair or alteration of, or making additions to, any building or structure on a farm."

It is thought that this provision will greatly increase the usefulness of the Act with respect to loans for farm building.

## The Navy's the Life

Here's a career for young Canadians — an active life with travel, adventure and the satisfaction of serving your country in a famous uniform.

Never before in its peace-time history has the Royal Canadian Navy had so much to offer a young man. There are new ships with modern equipment . . . wide facilities for sports and recreation . . . and valuable skills to learn.

This is a man's job serving with the Royal Canadian Navy . . . a satisfying and secure profession.

### SALT WATER CRUISES

Calling at foreign ports, sailing the high seas, visiting other countries — these are all in the line of duty for the men in the Royal Canadian Navy.

### YOU LEARN A TRADE

You can learn about radio-telegraphy, naval gunnery, marine and electrical engineering, radar, asdic, loran, and other specialized skills. You will never regret the thorough and practical training you get in the Royal Canadian Navy.

### AN ACTIVE LIFE

It is a busy exciting life in the Navy — and a healthy one too! Plenty of sports and physical training help you to develop a strong physique and keep you in top condition.

### PENSION FOR THE FUTURE

The R.C.N. looks after its men. You will like the feeling of financial security and the assurance of free medical and dental care. Rates of pay have been increased, and after your service there is a generous pension for the rest of your life.

THE  
NAVAL RESERVE  
If you can't enlist in the permanent service, you can join the R.C.N. (Reserve) and obtain, with pay, in your spare time the comradeship, the craft, and skills for which sailors are famous.

Get the facts today from  
The Naval Recruiting Officer,  
Royal Canadian Navy, Ottawa

## HELP IN CASE OF ACCIDENT

In all cases of serious shock or injury, send for a doctor or ambulance at once. In the meantime, apply first aid promptly, but not hastily.

**BLEEDING WOUNDS** — Bleeding in spurts indicates severing of an artery. Steady flow indicates a vein has been cut. Bleeding from an artery should be stopped by applying pressure of the thumb, a compress or cloth pad over the artery at a point between the bleeding wound and the heart. In bleeding from a vein (steady flow), pressure should be applied on the side away from the heart. Where bleeding is not severe, a compress over the open wound should be sufficient. If bleeding is very severe, tourniquet may be made by tying handkerchief, cloth, belt, strap or neck-tie around the part over compress and using small stick, pencil, or similar article with which to twist and tighten. Do not twist too hard, just enough to stop bleeding. Loosen every twenty minutes to let a little blood escape. Keep the part elevated.

**SHOCK** — Lay patient flat on back with head low, unless head is bleeding. Remove false teeth, gum or tobacco from mouth. Keep patient warm. Give stimulants such as aromatic spirits of ammonia in water, hot coffee, tea or water. Do not give stimulant to unconscious patients, or one who may have internal bleeding.

## District News

### KIRKCALDY

Congratulations are extended to Mr. and Mrs. Wm. Munro, who celebrated their 30th wedding anniversary on March 9th. A turkey dinner was served to friends and relatives.

Mr. and Mrs. Bert Maisey and Darrel were Sunday guests at the home of Mr. and Mrs. Ed Kehr of Vulcan.

Voting for municipal councillor for Division 3, took place in the Kirkcaldy school on Saturday. Mr. A. J. Maisey acted as returning officer and Mr. S. Colwell as poll clerk. Fifty-one persons turned out to vote.

Miss Kathleen Colwell was a visitor with friends at Champion on Thursday.

Mr. and Mrs. Otto Hagg, formerly of the Alston district, have taken up residence in their new home on their farm west of Kirkcaldy.

Correcting the error made in last week's edition. It was Henry Todd instead of George Todd who left for California recently.

Mr. and Mrs. O. Hagg of Champion were visitors at the Otto Hagg home on Thursday.

B. Carnegie and H. Mitchell were Claresholm visitors on Sunday. Mrs. Mitchell returning with them.

Easter holidays will start with school closing on Thursday and re-opening on April 5th.

### KIRKCALDY W.I.

The Kirkcaldy Women's Institute met on Thursday, March 18th at the home of Mrs. S. Bernard with seven members and two visitors present. The roll call was answered with "Latest Progress in Cancer Research." Each member brought a pound of food for an overseas parcel. At the next meeting, each member is to bring some article for a baby layette or to make a pair of felt slippers for a baby.

Mrs. Bert Maisey gave a report of the District Conference held in Lethbridge recently.

A paper on "Social Welfare" by Mrs. Hagerman was extremely interesting. She chose for her paper "Cancer Research," stating that people must be educated and have a sensible attitude toward this disease. Cancer can be cured if it is treated at the right stage and people should not put off having medical treatment if the disease is suspected, as it is often too late to help them at all. She urged that everyone should have a blood test.

Miss Margaret Fuller sang two solos appropriate for St. Patrick's Day and they were greatly appreciated. The raffle was won by Mrs. A. J. Maisey.

The next meeting will be held on April 22, at the home of Mrs. Williams. Lunch was served by the hostess.

### TRACTOR EFFICIENCY

Tractor expenses can be kept at a minimum by:—  
Thorough and timely lubrication.  
A complete spring or fall check-up with replacement of worn parts.  
Careful operation, avoiding overloading and high speeds.  
Selection of proper size of tractor for field and belt work.  
By remembering that a tractor should be worked as near to full capacity as possible to obtain maximum efficiency.

### ENSIGN

Mrs. F. Oakes attended the Girl Guide Association convention in Calgary.

Visitors to Calgary last week were Mr. and Mrs. E. Hanson, Mr. and Mrs. Barker and Mr. and Mrs. George Churchill.

Mr. John Clark and Mr. E. Thorpe attended the bull sale in Calgary last week.

The Ensign Ladies Aid, was held at the home of Mrs. W. S. Barker. Business was discussed and it was decided that they donate \$5.00 to the Rest Room in Vulcan and \$5.00 to the Children's Aid Society in Calgary. The next meeting will be held at the home of Mrs. E. Hanson.

Mrs. Grace Campbell is spending the next week or two in Calgary.

Mrs. George Eamor was a visitor in Ensign this week.

### EASTWAY

Mrs. McIntyre spent last week at the home of her daughter and son-in-law, Mr. and Mrs. C. Webber.

Mr. and Mrs. Ivo Love were Calgary visitors on Friday.

Mr. and Mrs. Sep Washburn have as their guests a number of relatives from Michel, B.C.

The benefit program and dance which was to be held on Easter Monday at the Union Jack school has now been postponed indefinitely.

Mr. and Mrs. Tom Laughlin spent the past week in Calgary and Carlsbad.

A. Oldfield and F. M. Wyatt were Calgary visitors last week and spent a short time at the bull sale.

Last Tuesday a number of men in the Buffalo Hills district shovelled snow all day to enable the snow plow to get through from the Buffalo Corner to Wyatt's. Then on Friday, all men available along the correction line once again shovelled Saturday morning so that the snow plow could get through from the Corner Store east to Marshall's Corner. Unfortunately, the road has filled in again and all side roads are impassable.

From the garbage dumps in the countries of war-torn Europe or Asia, more than 400 million boys and girls seek part of their daily bread. Pictured here is a scene which is common in those ravaged lands. Give your dollars to support the Canadian Appeal for Children. The Appeal seeks 10 million for the purchase of food, clothing, medical and educational supplies to assist these children.

### ENSIGN GOSPEL GROUP

Sunday School at 11 a.m.  
Church Service at 7:30 p.m.  
Good Friday Service in charge of the Young People's Group, March 26th, at 7:30 p.m.

Easter Service on Sunday, March 28th, at 7:30 p.m.

All services in the Ensign Hall and a cordial welcome will be extended to you.

Pastor: R. B. Lytle.

### INDIA'S MAIN FOOD

The staple food for 60 per cent of all India's population of more than 400 million people is rice, and the remaining 40 per cent depends on wheat, millet and other grains.

## MARCONI TRIUMPHS

The pre-Marconi men, who believed that they had found clues for electrical communications without wires generally did so by accident. While experimenting in the field of electricity they observed that the effects were not necessarily bound to wire. Mystified, they groped around wireless through induction, conduction (current leakage) and electrostatic coupling. These influences led them away from the real clue. Preece and Lodge were entranced by magnetic induction; Morse by conduction and Dolbear by electrostatic effects. They all failed to realize that radiation was the real clue to wireless.

Marconi grasped this significant idea and made electromagnetic radiation a practical method of wireless communication. Those who followed Marconi improved upon what he had achieved.

## Only Chevrolet Is First!

Meet the new standard of Big-Car beauty! New front-end styling—new radiator and body ornamentation—new colors—new and richer upholstery fabrics! All lending new beauty and luxury to Chevrolet's Bodies by Fisher—the finest bodies made—available only on Chevrolet and higher-priced cars.

Big-Car safety will be yours, as well. For this new Chevrolet brings you Unisteel Body-Construction, the Knee-Action Ride and Positive-Action Hydraulic Brakes. More features combined only in Chevrolet and higher-priced cars—more reasons why people everywhere agree: Only one is No. 1—only Chevrolet is first!

You'll enjoy Big-Car performance, when you own a new Chevrolet. All the pep and power—all the get-away, stamina and reliability of a world's champion Valve-in-Head engine—plus Chevrolet economy! Yes, the same basic Valve-in-Head design found elsewhere only on more expensive cars.

A Product of General Motors

Men and women everywhere agree: Only one is No. 1—only Chevrolet is first—in all-round value as in popularity. Consequently, more people drive Chevrolets than any other make, according to official nation-wide registrations; and more people want Chevrolets than any other make, according to seven independent nation-wide surveys. Here, in the new 1948 Chevrolet, is record value. For new and even more luxurious styling, colors and appointments have been added to the Big-Car comfort, performance and dependability which identify Chevrolet as the only car giving BIG-CAR QUALITY AT LOWEST COST! To examine this new and finer Chevrolet is to know it's your No. 1 car—your No. 1 investment for 1948.

The record-breaking demand for new 1948 Chevrolets prompts us to suggest that you keep your present car in good running condition by bringing it to us for skilled service, now and at regular intervals, pending delivery of your new Chevrolet. See us for truly dependable service—today!

### PRE-NUPITAL SHOWER FOR MARCH BRIDE-ELECT

Saturday afternoon, March 20th, was chosen by Mesdames D. Greenlee, A. Bjornson, H. Beaubier, J. Long, E. Fraser, R. Maxwell and H. A. Bjornson to honor Miss Irene Davies, whose marriage to Earl Smith is a coming event of March 31st, at a pre-nuptial shower in the banquet room of the Community Hall, which was tastefully decorated for the occasion with green and white streamers, varied sizes of shamrocks, flowers, silver bells and tall tapers in candelabra. The bride's chair decorations carried

out the same color scheme. A guest book was autographed by each lady present and a gardenia corsage was pinned on the shoulder of the honored guest.

A duet by Misses Gloria Fraser and Racille Hummel "Now is the Hour" and a piano solo by Miss Fraser were enjoyed as was the community singing with Miss Fraser as accompanist.

A large treasure chest was then brought in filled with the numerous miscellaneous gifts which were presented by Miss Hummel with best wishes from all for a happy, prosperous married life. Mrs. R. Davies and Mrs. O. B. Smith, mothers of the bride and groom-elect respectively, assisted with the opening of the gifts. Miss Davies

thanked the hostesses and guests in a few well chosen words. Delicious refreshments were served by the hostesses.

The result of the election held Saturday, March 20th, for Division One (Champion District) in the Municipal District of Vulcan, was Allan McLean 134 and C. Versluys 48.

Misses Patricia Watts and Elaine Groves were Lethbridge visitors on Saturday.

Mrs. Oscar Sletto returned home from hospital Tuesday evening of last week and is feeling much improved in health.

Mr. and Mrs. J. F. Hagerman of Calgary spent a few days at the home of the former's sister, Mrs. R. Clements and Mr. Clements.

M. Moffatt of Lethbridge was a visitor this week, in town.

L. M. Groves, who has spent the past few weeks in Calgary, re-

turned home on Saturday.

Miss E. M. Miller of Vulcan spent the weekend at the home of her parents, Mr. and Mrs. C. G. Miller.

Ramon Hummel of Claresholm, spent the weekend visiting his mother, Mrs. B. Hummel.

Mrs. E. Siler was a Carmangay visitor for a few days last week, at the home of her son-in-law and daughter, Mr. and Mrs. L. Burke.

Miss Ida Davies of Calgary was a weekend visitor at the home of her parents, Mr. and Mrs. R. Davies.

Friends will be sorry to hear that Mrs. Jack Sanderson is a patient in the Vulcan hospital.

Mr. and Mrs. W. Diemert of Calgary, formerly of Champion, were weekend visitors, guests at the home of the former's mother, Mrs. A. Diemert.

Mr. and Mrs. J. Long were Calgary visitors for two days.

Mr. and Mrs. Max Groves were Calgary visitors.

George Dupue of Stavely was a visitor this week and is much improved in health since his recent operation.

Mr. and Mrs. W. Fleishman of High River spent a few days last week, visiting at the home of Mr. and Mrs. A. Orcutt.

Mr. A. R. Mushlitz of Lewiston, Idaho, was a recent visitor for a few days at the home of his sister, Mrs. O. Sletto and Mr. Sletto.

Mr. and Mrs. George Smith were Calgary visitors for two days during the week.

Little Albert Orcutt, small son of Mr. and Mrs. Howard Orcutt, has been a patient in the Carmangay hospital.

Keith Groves spent a few days at Calgary attending the stock show.

Mrs. L. V. Stout was a Lethbridge visitor, where she was the guest of her brother-in-law and sister, Mr. and Mrs. J. Ford.

Mrs. G. W. Lee of Nanton is staying with her sister, Mrs. R. Clements, during her illness.

J. Long has purchased an AeronaChief aeroplane, two-seater model. A son, Glen Long, has had his private licence for some time, and other members of the family hope to acquire theirs in the not too distant future.

Mr. and Mrs. Wilfred Warren and children have returned home after a three week motor trip to Missouri where they visited relatives.

Friends will be sorry to hear that Mrs. John Hartung Sr. of Calgary, formerly Mrs. John Klein of Champion, suffered a second cerebral hemorrhage this week. Her condition is grave.

Mr. and Mrs. J. Warren, who were visiting the latter's parents, Mr. and Mrs. W. Yake, at Oyen, when the weather became bad, had the experience of being isolated for weeks. Mr. Warren was finally flown out, arriving home Sunday. Mrs. Warren is remaining with her parents until later.

Mr. and Mrs. Jake Hartung were Calgary visitors for two days last week.

Mrs. Johnny Anderson was a Cranbrook, B.C., visitor for a few days when she visited her daughter, Mrs. June Anderson.

Mr. and Mrs. W. C. Matlock and Mr. and Mrs. E. Granlin spent Thursday at Lethbridge.

Mr. H. Lebsack and Mrs. C. Lebsack were Calgary visitors, recently, for two days.

Mr. and Mrs. A. Orcutt were Calgary visitors, for a few days, during which they attended the silver wedding of Mr. and Mrs. W. Bentley, Saturday evening, in the Sons of England Hall.

The town residents are busy these days digging trenches to run off the water around the homes, else basements would be flooded.

The W. A. St. Patrick's concert was very successful, each number being well received and the skits being amusing to the point of hilarity. The sum of \$90.75 (net) was realized and the Association is most grateful to all who assisted to make the concert such a success. The dance that followed the concert was sponsored by the local Lions Club and was well attended with Fraser's Orchestra supplying the music. Miss Irene Fleming was the lucky winner of the door prize entitling her to three days at the Calgary Stampede with tickets for afternoon and evening performances and room and meals at the Palliser Hotel.

Friends will be sorry to hear that Mrs. Clarence Davis, of Calgary, formerly of Champion, is quite ill.

Mrs. N. St. Peter left for her home at Milk River this week after spending the past few weeks with her mother, Mrs. Jopling Sr.

A number of Championites motored to Carmangay last Wednesday evening to take part in the play put on by the Barons High School Students' Union, "Damsels in Distress."

Mr. and Mrs. Weldon Greenlee returned home this week after spending the past two and a half months on a motor trip to California and other states, where they visited relatives and friends.

Champion experienced about fifteen minutes of a swirling snow storm, noon Monday. The sun had been brightly shining when suddenly dark clouds obliterated the sun and the intense storm was on. It ceased as suddenly as it started

and the sun shone in all its glory again.

Mr. and Mrs. C. Lebsack and Mr. and Mrs. E. Rhodes Jr. were visitors at Lethbridge on Friday.

Mrs. W. Christensen is a Calgary visitor for a few days.

The Women's Association of the United Church will sponsor a fashion show, displayed by Vliet's Store, in conjunction with their annual Easter tea; baking and apron sale, Saturday afternoon, March 27th, commencing at 3 o'clock in the basement of the Community Hall.

### U.K. WHEAT CROP

An acreage of 2.4 million acres of wheat was set for the 1948 harvest for the United Kingdom, but farmers were unable to attain this target because of drought which made sowing difficult or impossible in many areas until very late. Appeals have gone to farmers to endeavor to reach this acreage by late sowings of winter wheat, or by sowing spring wheat.

### "THAT TELEPHONE SMILE"

A voice across the telephone can make or mar the day.

Be careful of the tone you use, and think of what you say;

Your pleasant smile can not be seen, or known your kindly heart,

For people on the telephone are often miles apart.

The girls who query, "Number, please," have many lives to mind,

Mistakes are sure to happen, so be patient and be kind;

For life is like a garden where our daily acts are grown,

As nature has ordained it, we reap - as we have sown;

Then sow a smile and reap a smile, and in the end you'll find

That nothing gains more victories than the art of being kind.

—Exchange.

## VLIET'S

MR. FARMER, IT'S UP TO YOU NOW!!

This is Your Opportunity  
To Help Yourself!!

Legislation is before Parliament at Ottawa to extend government monopoly of wheat marketing to include oats and barley. If enacted YOU WILL BE COMPELLED TO SELL YOUR OATS AND BARLEY AS WELL AS YOUR WHEAT TO THE CANADIAN WHEAT BOARD.

However, to make this monopoly effective, it may be necessary that each provincial legislature pass a law permitting this government monopoly.

So this is your opportunity to protest against the extension of the monopoly. You were not given an opportunity to protest against the wheat monopoly. But YOU CAN AND SHOULD make protest now. Those who favour the monopoly are working tooth and nail to get control over your grain. You must fight against them with all your might.

IF YOU DON'T PROTEST NOW, and your neighbours, of like mind, don't protest now, you may have only yourself to blame. Provincial Legislatures may fall in line with Parliament and all those dependent upon grain growing for a living will be absolutely in the power of political pressure groups and so-called "farm leaders".

The Winnipeg Grain Exchange has endeavored to show wheat growers what monopoly has cost them. Controlling prices for wheat was a war measure. Nobody grumbled about that. But the monopoly was extended to peace times without even asking the consent of wheat growers, who, as a result, have lost hundreds of millions of dollars. They shouldered the burden, instead of it being paid by ALL THE TAXPAYERS.

If the Government monopoly is extended to oats and barley another link will be forged in the grain grower's Chain of Bondage.

### YOU SHOULD LOOK AHEAD

It is the future, not the past, that is now most important to farmers. Think of the dangers that threaten you. No man, and no group of men, is WISE enough or GOOD enough TO BE TRUSTED WITH UNRESTRICTED POWER. "All power tends to corrupt... absolute power corrupts absolutely".

Your wheat is now marketed at POLITICAL PRICES and for POLITICAL PURPOSES. Oats and barley are subject to even more political pressure; and since VOTING POWER RESTS WITH CONSUMERS, there will be a constant political battle between producers and consumers... and PRODUCERS WILL BE THE LOSERS.

The Grain Exchange has done, and is doing all that it can to uphold the farmer's Freedom of Choice in selling his grain. Let those farmers who wish to sell through the Wheat Board do so; but demand the Right to sell your grain when, where and to whom you choose at prevailing market prices.

If you are Opposed to Government Monopoly and Compulsion  
ACT QUICKLY BEFORE IT IS TOO LATE.

Write at once, or, better still, WIRE your Member of Parliament at Ottawa and your Provincial Representative in Regina, Edmonton or Winnipeg. State your strong objection to extending Government monopoly to oats and barley. Tell him you want freedom to choose between selling to the Wheat Board or on the free and open market, whichever is most profitable to you. Get neighbours who agree with your views to do it. The more protests received, the better. This may be your last opportunity to help yourself and keep politics out of your grain, but you must ACT QUICKLY—OTHERWISE YOUR PROTEST WILL BE TOO LATE.

### WRITE FOR THIS FREE PAMPHLET

We have published a pamphlet "Just a Minute with the Grain Exchange". It shows what CONTROL OF WHEAT has cost Western farmers, and will indicate what can happen to control of oats and barley. Fill out and mail the coupon below and a copy will be sent BY RETURN, POSTPAID.

The Winnipeg Grain Exchange,  
Winnipeg, Manitoba.

Please send me your pamphlet "Just a Minute with The Grain Exchange". I, myself, may have some questions to ask you.

DR. F. J. GREANEY  
Director,  
Line Elevators Farm Service,  
Winnipeg, Manitoba.

### The Case for Seed Treatment

The kind of crop Western Canada is going to harvest in 1948 depends in no small measure on what kind of seed farmers plant this Spring. Farmers should not only be interested in the quality and purity of the seed they sow in 1948 but also in its freedom from disease.

**Seed Treatment Needed.** During the last few years Line Elevators Farm Service has examined thousands of farmers' seed samples of wheat, oats, barley and flax. These extensive seed tests have clearly indicated that a very large proportion of the seed-grain that is sown each year in Western Canada carries disease-producing organisms, or is damaged by weathering or threshing, in sufficient amount to make seed treatment positively necessary. Therefore, the best advice we can give to a farmer is this. Take no chances! Unless you know your seed is undamaged and free of smut and other diseases, treat it.

**Seed-Treating Methods.** The seed disinfectants (fungicides) recommended for the control of surface-borne smut and other seed-borne diseases of wheat, oats and barley, and for the treatment of flax, are the organic mercury dusts (Ceresan, Leytosan, etc.). For small grain crops the rate of application is ½ ounce per bushel of seed; for flax, the rate is 1½ ounces per bushel. Seed of these crops can be safely treated months before it is needed for sowing. It is important, however, to store such treated seed in a cool, dry, well-ventilated place. For best results, wheat seed should be treated at least 24 hours before planting. On the other hand, the seed of oats, barley and flax should be treated at least 7 days before it is sown.

Remember that the organic mercury dusts are poisonous. The precautions given by the manufacturer should be strictly observed. Seed treated with an organic mercury dust should not be used for food purposes, or fed to livestock.

For further information on seed treatment consult your local Agricultural Representative, or write to Line Elevators Farm Service, Winnipeg.

### COMPARATIVE YIELDS OF SOFT AND HARD SPRING WHEAT

Soft spring wheat varieties are definitely higher in yielding capacity than hard spring wheats on the irrigated lands of Southern Alberta, where an ample moisture supply enables farmers to produce the quality of soft wheat that the millers desire. It should be confined to irrigated land. It should be grown only under contract for a special market, otherwise this wheat would sooner or later contaminate our good, hard, red, spring wheat and lower its reputation on the world's market.

The variety Lemhi, which resulted from a cross between Federation and Dicklow, appears to be the most desirable variety for this area. Tests of numerous varieties show that Lemhi ripens nearly as early as Marquis, is about as strong in the straw, is much less susceptible to diseases than Dicklow, and, while it is a little higher in protein content than Dicklow, it is quite satisfactory to the millers in both protein content and general milling qualities, when grown under proper conditions. Other varieties, chiefly Idaed and Onas, appeared promising for a few years, but have now been replaced practically entirely by Lem-

hi.

Previous to the war very little soft wheat was grown in Alberta and practically all of it was of the Dicklow variety. Dicklow was preferred by the millers on account of its protein content and good milling qualities. However, it was undesirable from the farmer's standpoint as it was quite late in maturing, weak in the straw, and susceptible to different diseases. —Lethbridge Experimental Station

### LETTER TO THE EDITOR

(Continued from Front Page)

members and call themselves U.F.A. We put them out in 1935 and from 1936 to 1943 with the Social Credit government the provincial debt came down to \$140,794,191, a reduction of \$17,287,159. They paid off yearly \$2,469,650. It makes one think twice. How dumb we were from 1905 to 1935 to let them put so much debt on us. No wonder we had hard times. Also in this time they paid off the U.F.A. of \$304,614 for teachers debt not paid. We now have the best education system in the west and have raised teacher's wages and given pensions.

Besides, we are paying a five dollars per month increase on old age pensions and now this session they have raised it \$2 a month more. In all, that will be \$7 a month more than all the other provinces. They have also paid off the defaulted bonds and paid off \$9,414,468 in U.F.A. Government Savings Certificates. Besides, the Treasury was empty and servants not paid. Then Mr. Aberhart put a 2 per cent tax on those who could afford to pay, in the depression days, to carry over until they could get some money in. They have this tax in Washington all the time. And I would like to know how many business men in Vulcan didn't pay until a man was sent from the government to look at their books and collect.

Those same ones can yell about roads, etc. when they know there wasn't a decent road in Alberta until S.C. went in. They pay for half of all roads in municipal districts. Two more working weeks will finish the road to the B.C. boundary. We have a good road now to the U.S. boundary and to the Saskatchewan boundary besides our road to Grande Prairie, etc. with all those others in between. We will get ours this year.

I will give you this from Saskatchewan. It's headed "Opposition is spreading lies." He has lived in Saskatchewan forty years and before you believe, check. I suppose he was here as a soldier. He speaks about the Alberta municipalities being in so much better shape. He states that figures show truth. In the past two years in Alberta the provincial government assisted the municipalities in grading 3601 miles of road, graveling 3377 miles, total 6978 miles of road, on the fifty-fifty basis. They gave the municipalities \$1,200,000, which in Saskatchewan is one-third of the total expenditures. The S.C. govt. in the past two years has built 6,530 miles of highways, or an average of 3,265 miles per year, which is over seven times as much as Saskatchewan, and the S.C. govt. hasn't borrowed one cent. It is too bad we have to find out what Alberta is doing from Saskatchewan. Why don't you write Mr. Manning before talking falsehoods, then we can respect you as citizens we can trust.

Isn't it funny we never hear them run down the health service? Is it because they get free maternity, cancer, tuberculosis and poliomyelitis care (and training of the helpless afterwards), travelling clinics, nursing services, health units? And how they brought down the insurance? And oh yes, the child welfare. I wonder how many saw the piece I did about Windsor, Ont., two years ago, sending the soldiers' babies back to the U.S.A. They may ruin our Canadian girls' characters, but that is the girls' own fault. But let them keep their own kids. I might say that was a racket on Alberta, too, just to try to hurt Social Credit. We are up to it. They come from the east, snoop into things, but why didn't they get after their own Ontario welfare and Windsor? We can see through it, but let them hit too hard and we can turn loose.

Oh yes, and the big talk about Alberta's ruin because she wouldn't borrow money in 1935-36. They pay as they go, that's good business, and they are paying off the debt, too. When they get the debt paid off we will get our dividends. Do you see how? Well I do, no ultra vires then. But that will wait.

Don't you know the more Opposition people bark and get found out the stronger Social Credit will grow. People want facts and truth and don't ever think we will ever let a good honest government like Social Credit go. I hope you listened in a week ago to Mr. Maynard's last broadcast. And Mr. Manning tells you where he stands over the Lethbridge station at 9 p.m. Tuesday, March 23, then again Thursday night over CFCN at 8 p.m.

I haven't said anything about the way industry has brought millions into Alberta. You can get the information if you want it. We will put S.C. out when they put debt on us, like the Liberals and U.F.A.

## SUPPORT

the Young People of the District

TO ALL RESIDENTS OF  
VULCAN AND DISTRICT:

The Vulcan and District Athletic and Cultural Association have, for the past year, been sponsoring athletic activities and such cultural activities as public speaking and amateur plays for the young people of the district.

We have been limited to some extent in this work by lack of funds but we believe what has been done demonstrates the need for such an organization.

At this time we are appealing for financial help from everyone in the district. A membership is \$5.00 and any additional donation is deducted from Income Tax Returns.

All the work done by the officials of this organization is voluntary and for this reason we urgently request that memberships and donations be left with Dr. G. M. Carson, E. G. McPherson, J. L. Findlay or M. R. Morrison. This will save these men much time in making a canvass.

Show your interest in our young people by your generous support.

Your truly,  
E. G. McPHERSON,  
Chairman of Membership Committee.

## Brief Items of Local Interest

Mrs. J. C. Grimson, Vancouver, B.C. and Mr. Victor Mitchell of Peace River have returned to their respective homes after a visit at the Wolfe home.

Mr. and Mrs. Howard Jurney have recently moved into the Chauncey Layman house in town.

After a three month holiday at the coast, Mr. and Mrs. W. S. Hill have returned to their home here.

Mrs. Percy Myers recently spent a week with friends in Calgary.

Enroute to their home at Lethbridge from a visit in Calgary, Mrs. Leach was recently a guest of Mrs. Margaret Dobbs for a few days.

Mr. and Mrs. F. B. Clark left on Thursday evening for a short holiday in Calgary.

Mr. and Mrs. M. L. Clarkson, Clayton Clarkson and Mrs. Don Woodman have returned home from Calgary, where they visited with Mr. Will Clarkson who is confined to hospital there.

Members of the Teachers' Bowling League will hold a banquet in the Imperial Hotel on Thursday evening, as a conclusion of the bowling season for them.

Mr. Chauncey Layman has recently returned from an extended holiday in the United States.

Mr. and Mrs. V. J. Christensen and baby daughter, Patricia, of Champion are spending two weeks as guests of Mrs. Christensen's parents, Mr. and Mrs. J. Hanna.

A highly successful combined Easter and St. Patrick tea under auspices of St. Aldhelm's Guild was held in the Legion Hall, Saturday, March 20th. The hall was tastefully decorated with motifs of the patron saint of Old Erin and spring colors added the Easter note. Tall white tapers were lit on each side of the tea tables. A bake-table proved most popular; and a candy booth operated by the Sunday School class was well patronized. Mrs. Chell and Mrs. M. L. Todd very kindly read tea-cups, which added to the afternoon's entertainment. An Easter ham raffled just before the conclusion of the tea was won by Mr. George Finnegan. Members of the Guild take this opportunity to thank all who contributed in any way to the success of their venture.

### LEADING REPRESENTATIVE

W. D. ALLAN

W. D. Allan, local representative of the Great-West Life, has qualified as a member of the Company's 1948 President's Club.

The Club is composed of representatives in Canada and the United States, who are leaders in securing new business and in maintaining a high standard of service to policy-holders.

**GREAT-WEST LIFE**  
ASSURANCE COMPANY  
HEAD OFFICE - WINNIPEG  
Your future is our business...TODAY

The Amateur Night, which was scheduled for Friday last, at Lomond has been indefinitely postponed because of poor road conditions.

Mrs. S. M. Davis and two small sons, Michael and Brock, have returned to the home of the former's parents, Mr. and Mrs. R. Todd, after a five-week vacation spent at the home of the Rev. and Tully Montgomery, at Banff.

C. B. Shimp has received word that his mother, who celebrated her 96th birthday on March 4th at her home in Long Beach, California, fell and fractured her hip on March 6th. Because of her frail condition, Mrs. Shimp was given a blood transfusion and is at present in hospital, doing quite well.

Miss Marion Irwin, who is attending Garbutt's Business College in Calgary, will spend the Easter holidays at the home of her parents, Mr. and Mrs. Robert S. Irwin.
